What is iGive.com™?

Established in 1997, iGive.com is an Internet company whose goal is to enable the economic power of individuals to benefit their chosen communities. We hope that in the near future, all consumer transactions contain a percentage that benefits causes close to home.

iGive.com has tens of thousands of members who have raised over \$1,700,000 for their favorite worthy causes - all at no cost to the members or their causes.

F.A.Q.s

What Causes Can I Support? At iGive.com, members list and support their favorite worthy causes, from national nonprofits to local, neighborhood efforts, like your child's school organization or your local animal shelter.

Whenever a supporter lists a new cause at iGive.com, an e-mail is sent to the nonprofit group requesting them to verify the information the supporter provided. Checks are sent monthly to all verified nonprofits with more than \$25.00 earned.

Who Are the Merchant Partners? Our partners include leading online merchants for a huge variety of the well-known brands you buy every day. You'll find books, music, videos, office supplies, toys, clothing, gifts, flowers, and hundreds more products available at the Mall at iGive.com.

How Much Money Goes to My Cause? Up to 26% of every purchase goes to your cause, depending on the merchant. We list the percentage to your cause next to each merchant at the Mall at iGive.com. And when you make a purchase, every penny of that percentage goes directly to your favorite cause. No administrative costs, fees, or mark-ups. For you or for your cause.

How Can You Do All This for Free? iGive.com is paid a sales commission (over and above the charitable contribution percentage) when our members make purchases allowing us to expand iGive.com. Many merchants also advertise on our Web site.
